To My Dear Little Bunch
 The weather has blowed off nice + has had a pretty day
 me + another old man walked to town this afternoon
 but I haven't had any mail from home yet
 This is an awful Sout-of-way place + mail is slow
 getting in + out but I will surely get something tomorrow
 I wrote to Floyd + Vera McCluer at High Texas today
 will mail this tomorrow - I have wrote you two
 letters already, Maate can you send me Holt's address
 I sure would like to kiss my Wife, Big Girl, Little Girl
 + My Sonny Boy Good night
 Sat. morning 10/15, have been pretty busy up to noon
 castor oil at 4, tonic at 7, shaved, went to breakfast
 took medice treatment back to room on bed with hot
 pack, have just got back from a little walk +
 some air, yet + had carrot juice at 9
 They say that all the medecines + foods used here
 are made from vegetables, herbs, roots + barks +
 can't tell yet what they are going to do with
 my main trouble but they sure seem to work
 over your blood + system, they didnt find
 much the malar with me, my blood was 30 points

Know- they had, that makes it more expen-
one man came just ahead of me with several
ailments & they charged him \$500.00 flat rate for
five weeks treatment with out room, some are
saving some money rooming out but they wanted
me here in Hospital, it seems that most of
them has to stay as much as five weeks & some
longer, since the mails seem so slow
you had better let me know soon how you
think we are going to get along financially
I guess I will try to stay the three weeks, if I
don't stay any longer, (I have \$47.00 now) it will
take \$300 more for next week \$500 for the next &
about \$300 for a ticket & a little for laundry
about \$900 more for three weeks, this sure has
been a long week for me & since I haven't had
a letter I am wondering if some of you are
bad sick, am going to try to write to Mamie
to-day & I am not sure of her address.
Well the last mail has come for this week & I
didn't get a letter don't know what to think
& it seems there is nothing I can do about it
will quit & get this in the mail

Love to all
